Packaged Drinking Water

Jalsutra

Packaged Drinking Water

Jalsutra

In Sanskrit literature Sutra is defined as set of rules. In English it is translated as formula. At Jalsutra we have taken utmost care to keep the product true to its name. Here we present you with the purest drinking water that goes through various filtration processes.

Our indigenous fully automated production designs eliminates all human error and have enabled us to bring the purest and the safest drinking water to the society. It not only improves production quality but also reduces electricity consumption by 40%.

Our mission

Is to supply the heathest. safest and purest pacaged drinking water by keeping the production quality to its optimum level.

50% smaller
Plant Foot prints

Our vision

To serve society with pure and healthy drinking water and maintain ecologicol balance through water wastemanagement and rain water harvesting.

Compact and Efficient plant design
fully automated self autoflush purification process
80000 liters production per day
